## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 9-23, 25-27, and 35-49 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The Prior Art of Record does not teach all the limitations of the independent claims.

The Prior Art of Record does not teach nor suggest in the claimed combination a first and second quorums each meeting a quorum condition of a number such that any two selections of the number of the stripe blocks intersect in a minimum number of the stripe blocks needed to decode the stripe.

These claims are further allowed in view of applicant's definition of the quorum condition and in view of applicant's clarification of how the quorum condition is met (Applicant's Remarks, 7/16/07, pages 2-3).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
